

# Daniel Givens

Visual & Interactive Designer

1207 Battlefield Drive  
Nashville, TN 37215  
615.405.4144  
[holler@dgivens.com](mailto:holler@dgivens.com)

## Experience

### **Visual/Interactive Designer @ Iostudio, LLC in Nashville, TN**

January 2008 to Present

Tasks include creating rich interactive presentations, DVD interfaces, animations for the web, and promotional micro-sites that are seen by hundreds of thousands. Also heavily involved in utilizing social networks for the client and conceptualizing web ads. View examples of some of my work done at Iostudio — click <http://dgivens.com/videos/ioWork.mov>

### **Freelancing out of Nashville, TN**

2005 to Present

Working with clients from New York, Baltimore, Louisville, and Nashville on a number of projects involving everything from web solutions to creative direction. View selected works by visiting <http://dgivens.com>.

### **Digital Print Operator @ Silkscreen Specialists in Kingston Springs, TN**

Spring/Summer 2004 & Spring/Summer 2005

Responsibilities included handling wide-format digital printer, printing film positives for screens as well as signs, posters, and murals. Color corrected and set up jobs using postscript software and Adobe Illustrator. I also assisted with the printing press and packaging.

### **IT Assistant @ Bohan Agency in Nashville, TN**

August 2003 to January 2004

Refurbished old computers for new employees and set up new computers for old employees while the company expanded. Was also commissioned to create a video for their banquet.

## Skillset

- Advanced understanding of (and passion for) design for web, motion and print
- Professional approach to projects and workplace
- Very familiar with web standards, front-end development, using a CMS and social networks
- Intermediate knowledge of Actionscript 2.0 and Javascript
- Basic knowledge of PHP
- Highly adept with the latest versions of Photoshop, Illustrator, After Effects, Flash and OmniGraffle
- Currently exploring Quartz Composer, Papervision and Cinema 4D
